

AFONICA AST

Range of booths for car workbench

Afonica AST is the line of soundproof booths designed and built to allow operators in the automotive sector to carry out tests and inspections of cars on a roller bench in full compliance with current safety regulations and without disturbing the work environment.

The Afonica AST soundproof booths are therefore complete with:

- Single door with anti-panic opening and viewing window
- Double door with anti-panic opening
- Soundproof walls and roof
- Extraction of flue gases
- Internal ventilation

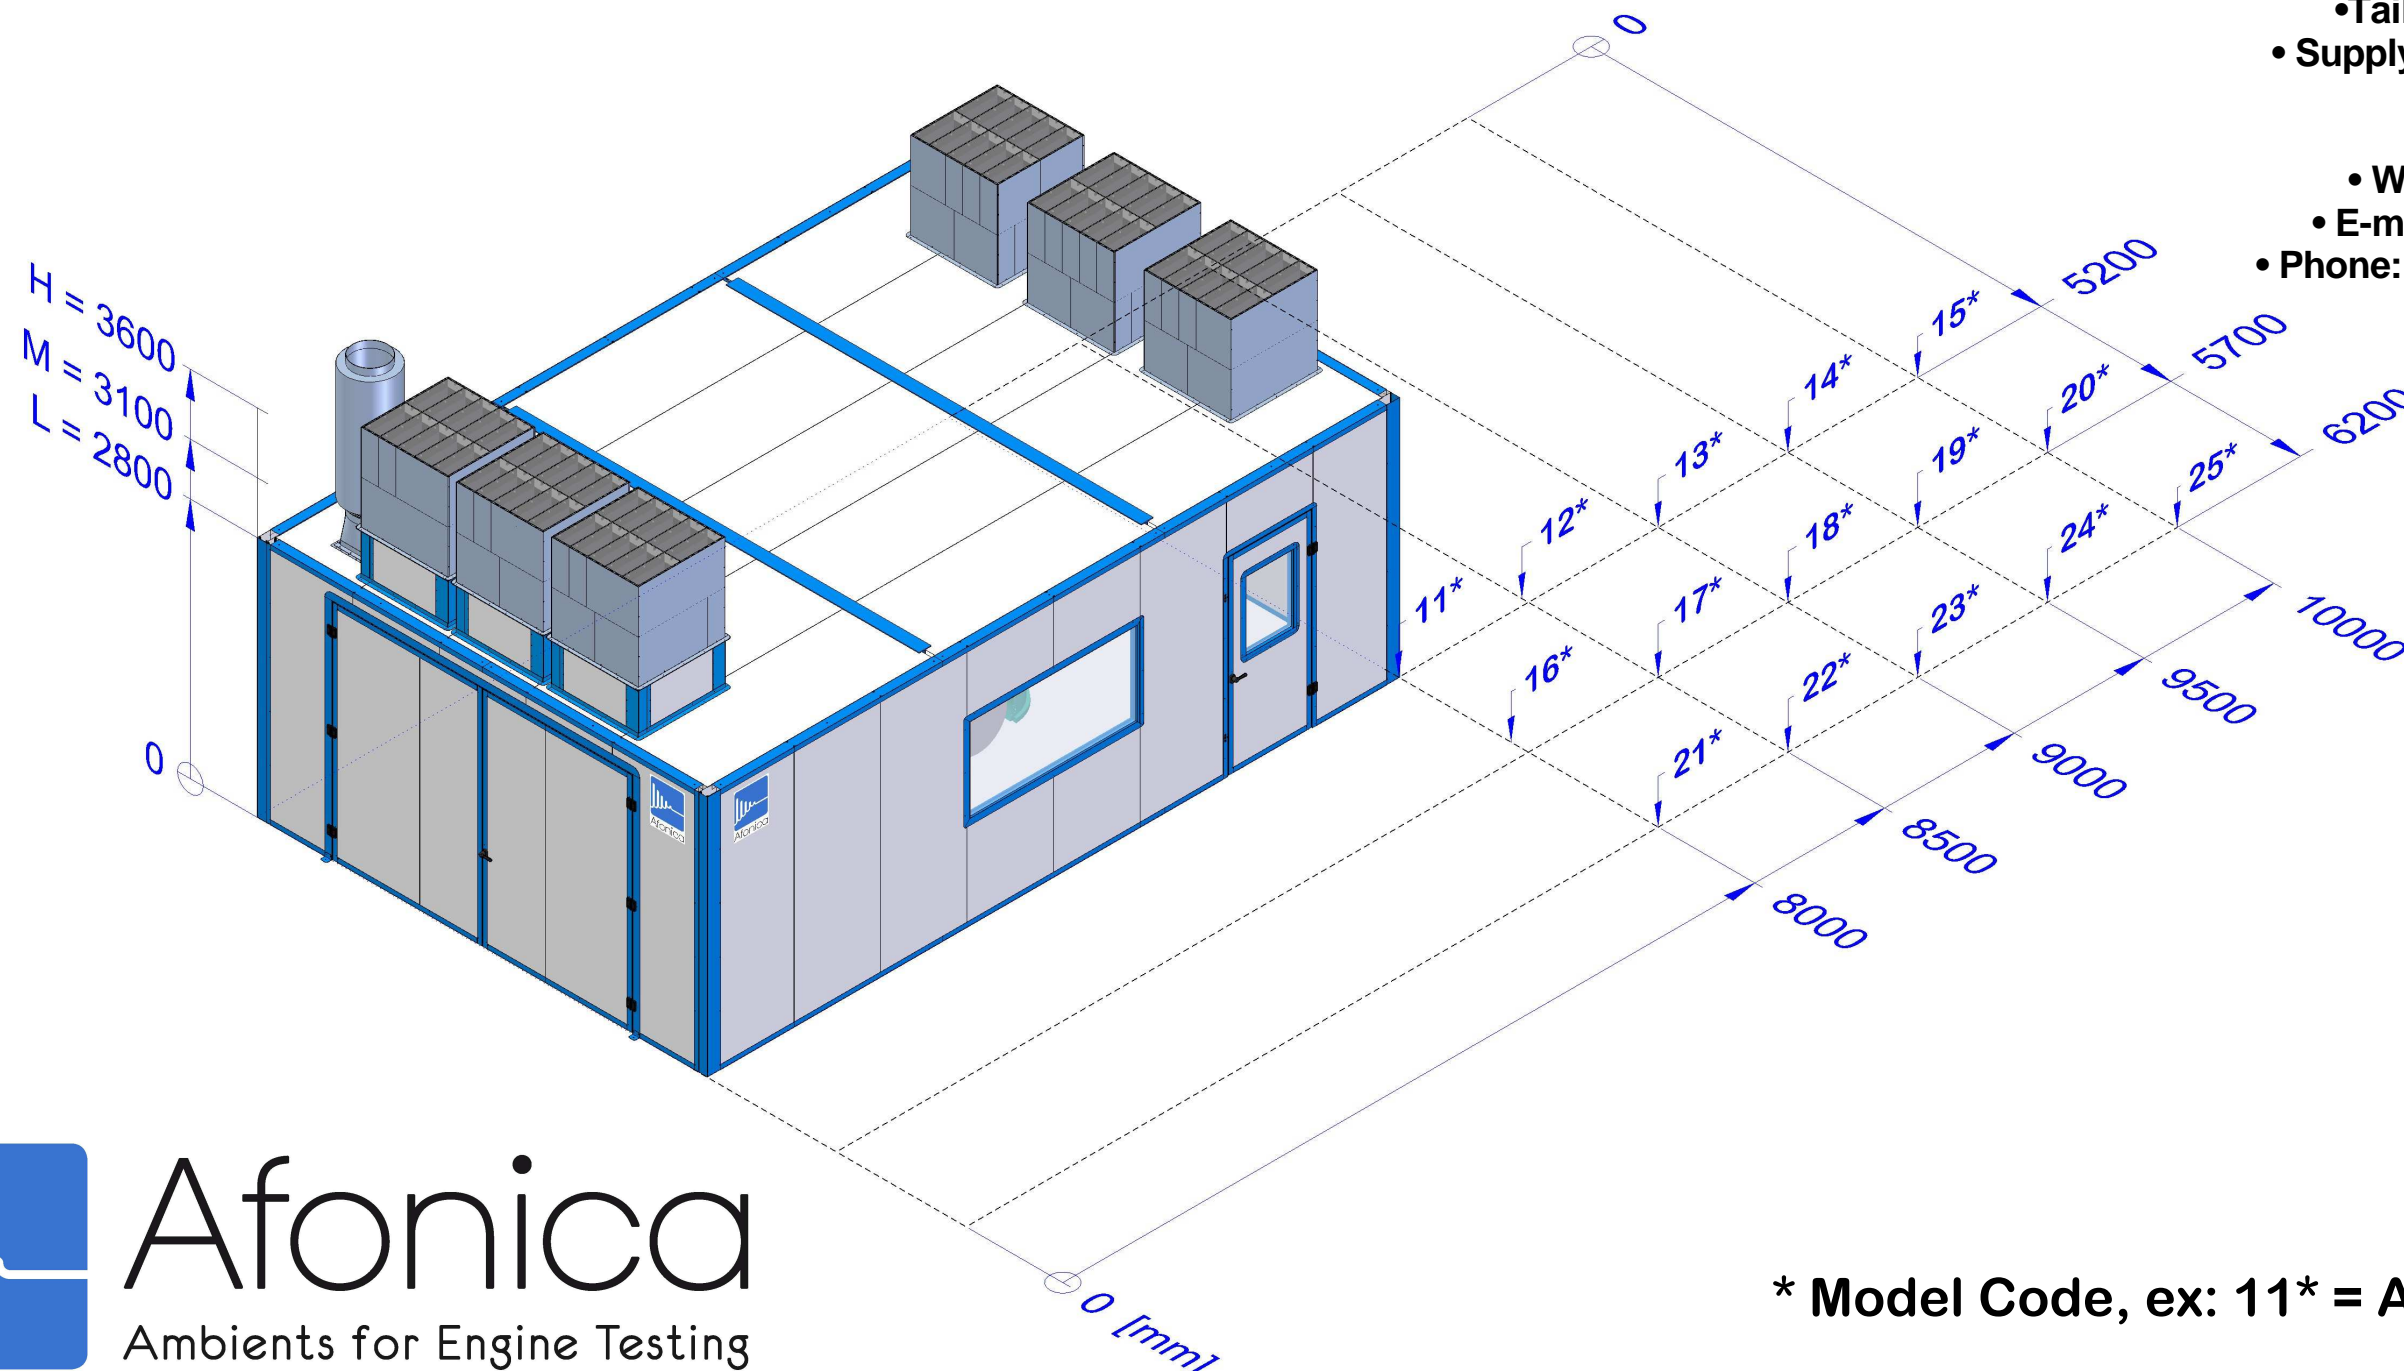

The outdoor version of each model is also available.

On demand:

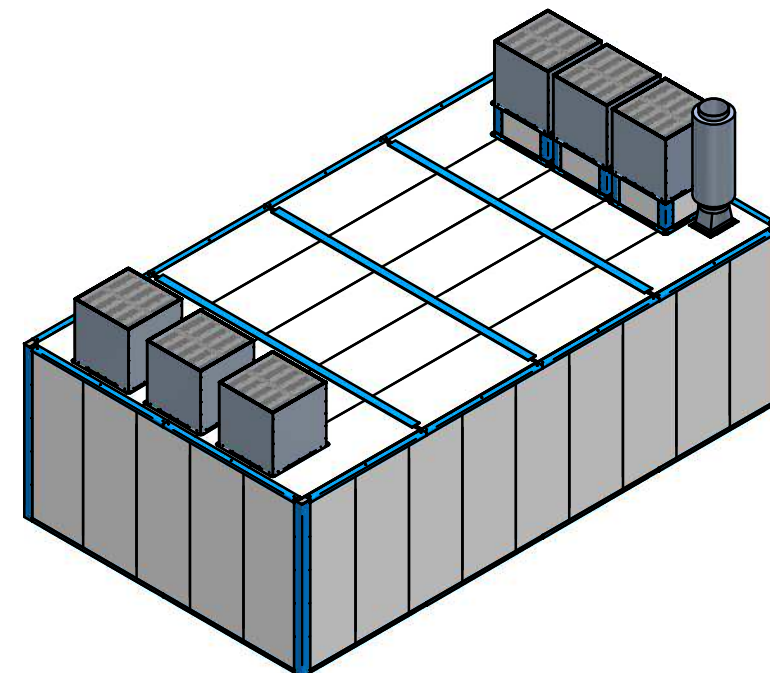

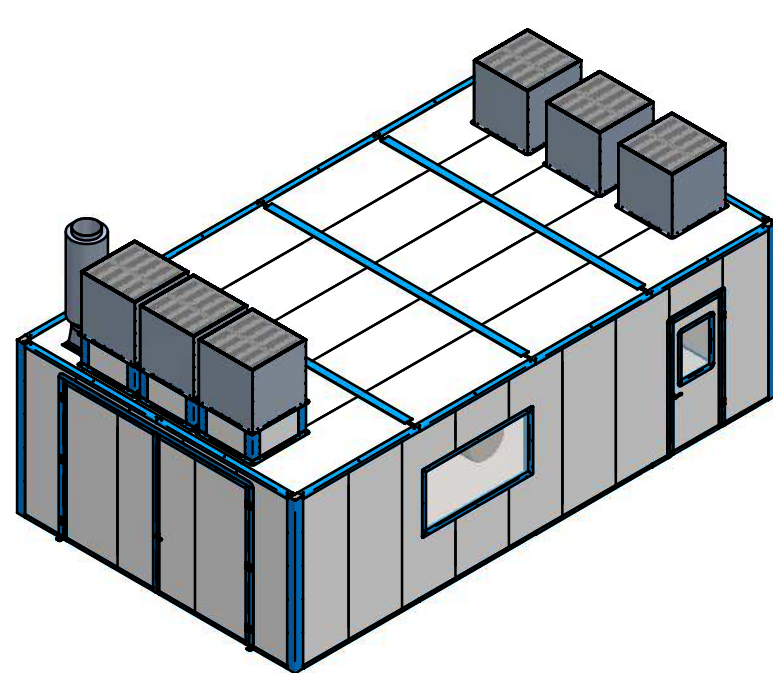

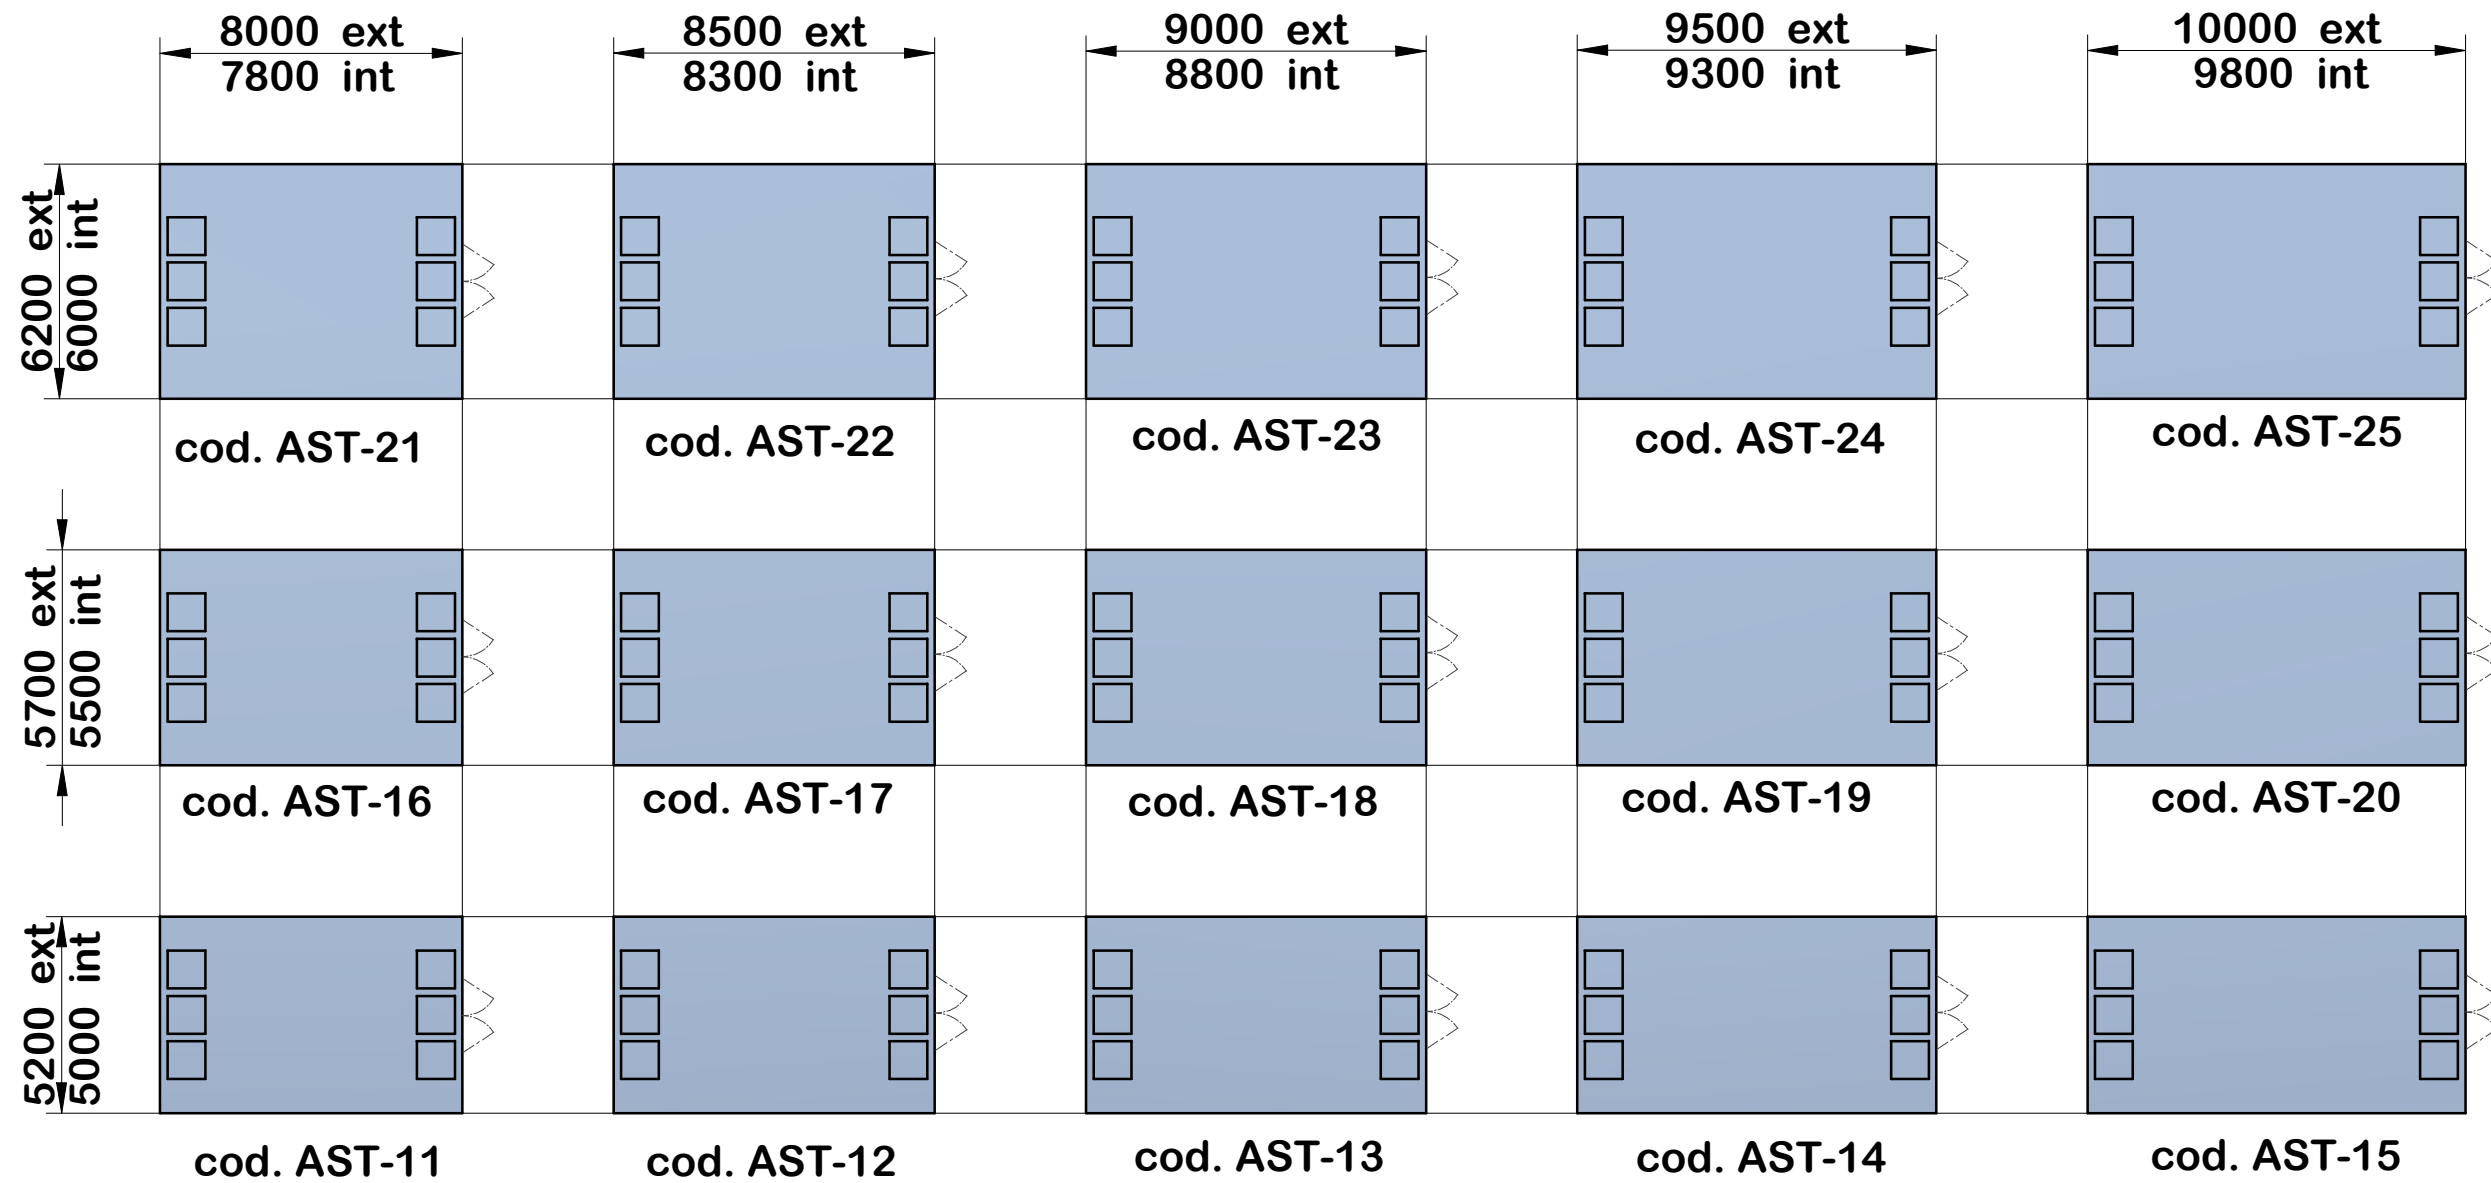

- Tailor-made creations
- Supply of electrical plant

Info and price:

- Web: www.afonica.it
- E-mail: info@afonica.it
- Phone: (+39) 0445 397 118
