

Afonica

Ambients for Engine Testing

Soundproof Doors and Gates

Afonica offers its customers the experience and quality gained in over a decade of work performed in a workmanlike manner in the field of soundproofing booths for engine testing enclosures.

The following describes the standard doors (single leaf) and gates (two leaves).

In addition to what is described below, Afonica creates tailor-made products and/or on specific request to meet the needs of each customer, situation, context, performance.

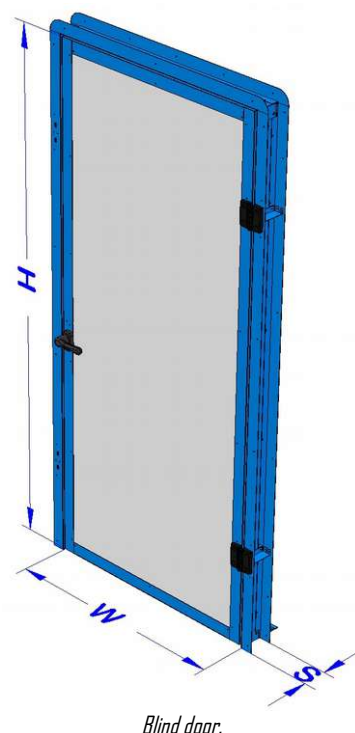

Doors (Single Leaf)

Features

- Accuracy of coupling
- Perfect hermetic seal
- Reliability over time
- Excellent mobility
- Practicality of use
- Panic opening to the outside
- Ground flap only 24 mm high
- Watertight gaskets on 4 sides
- Handle for opening from outside with lock
- Available with or without (soundproof) sight
- Standard color: RAL 7044 (optional frame color of your choice)

#	Code	W	H	S	Price
1	20I-W100H210S5-xy	100	210	5	1.980,00 €
2	20I-W100H220S10-xy	100	220	10	2.200,00 €
3	20I-W120H220S10-xy	120			2.500,00 €
4	20I-W100H220S15-xy	100		15	2.700,00 €
5	20I-W120H220S15-xy	120			3.200,00 €
6	Soundproof sight	60	80	5	+ 300,00 €
7				10	+ 380,00 €
8				15	+ 450,00 €
9	RAL color on choice (for the frames, in blue in the images. The panel remain RAL 7044)				+ 80,00 €
10	NOTES: measures in cm, prices VAT excluded. CODES: x: S = opening to left; D = opening to right y: C = without sight; F = with sight				

Gates (Double Leaf)

Features

- Accuracy of coupling
- Perfect hermetic seal
- Reliability over time
- Excellent mobility
- Practicality of use
- Two leafs
- Panic opening to the outside
- Ground flap only 24 mm high
- Watertight gaskets on 4 sides
- Handle for opening from outside with lock
- Available with or without (soundproof) sight
- Available without ground flap with pneumatically actuated sealing gaskets on the ground
- Standard color: RAL 7044 (optional frame color of your choice)
