

# AFONICA MPH

## Gamma cabine per banchi prova moto

Afonica MPH è la linea di cabine insonorizzate progettate e realizzate per permettere agli operatori del settore motociclistico di effettuare prove e collaudi di motocicli su banco a rulli nel pieno rispetto delle vigenti normative in materia di sicurezza e senza arrecare disturbo all'ambiente di lavoro.

Le cabine insonorizzate Afonica MPH sono pertanto complete di:

- Porta a doppio battente con apertura antipanico e finestra visiva.

- Estrazione dei gas combusti
- Pareti e tetto fonoisolanti
- Ventilazione interna

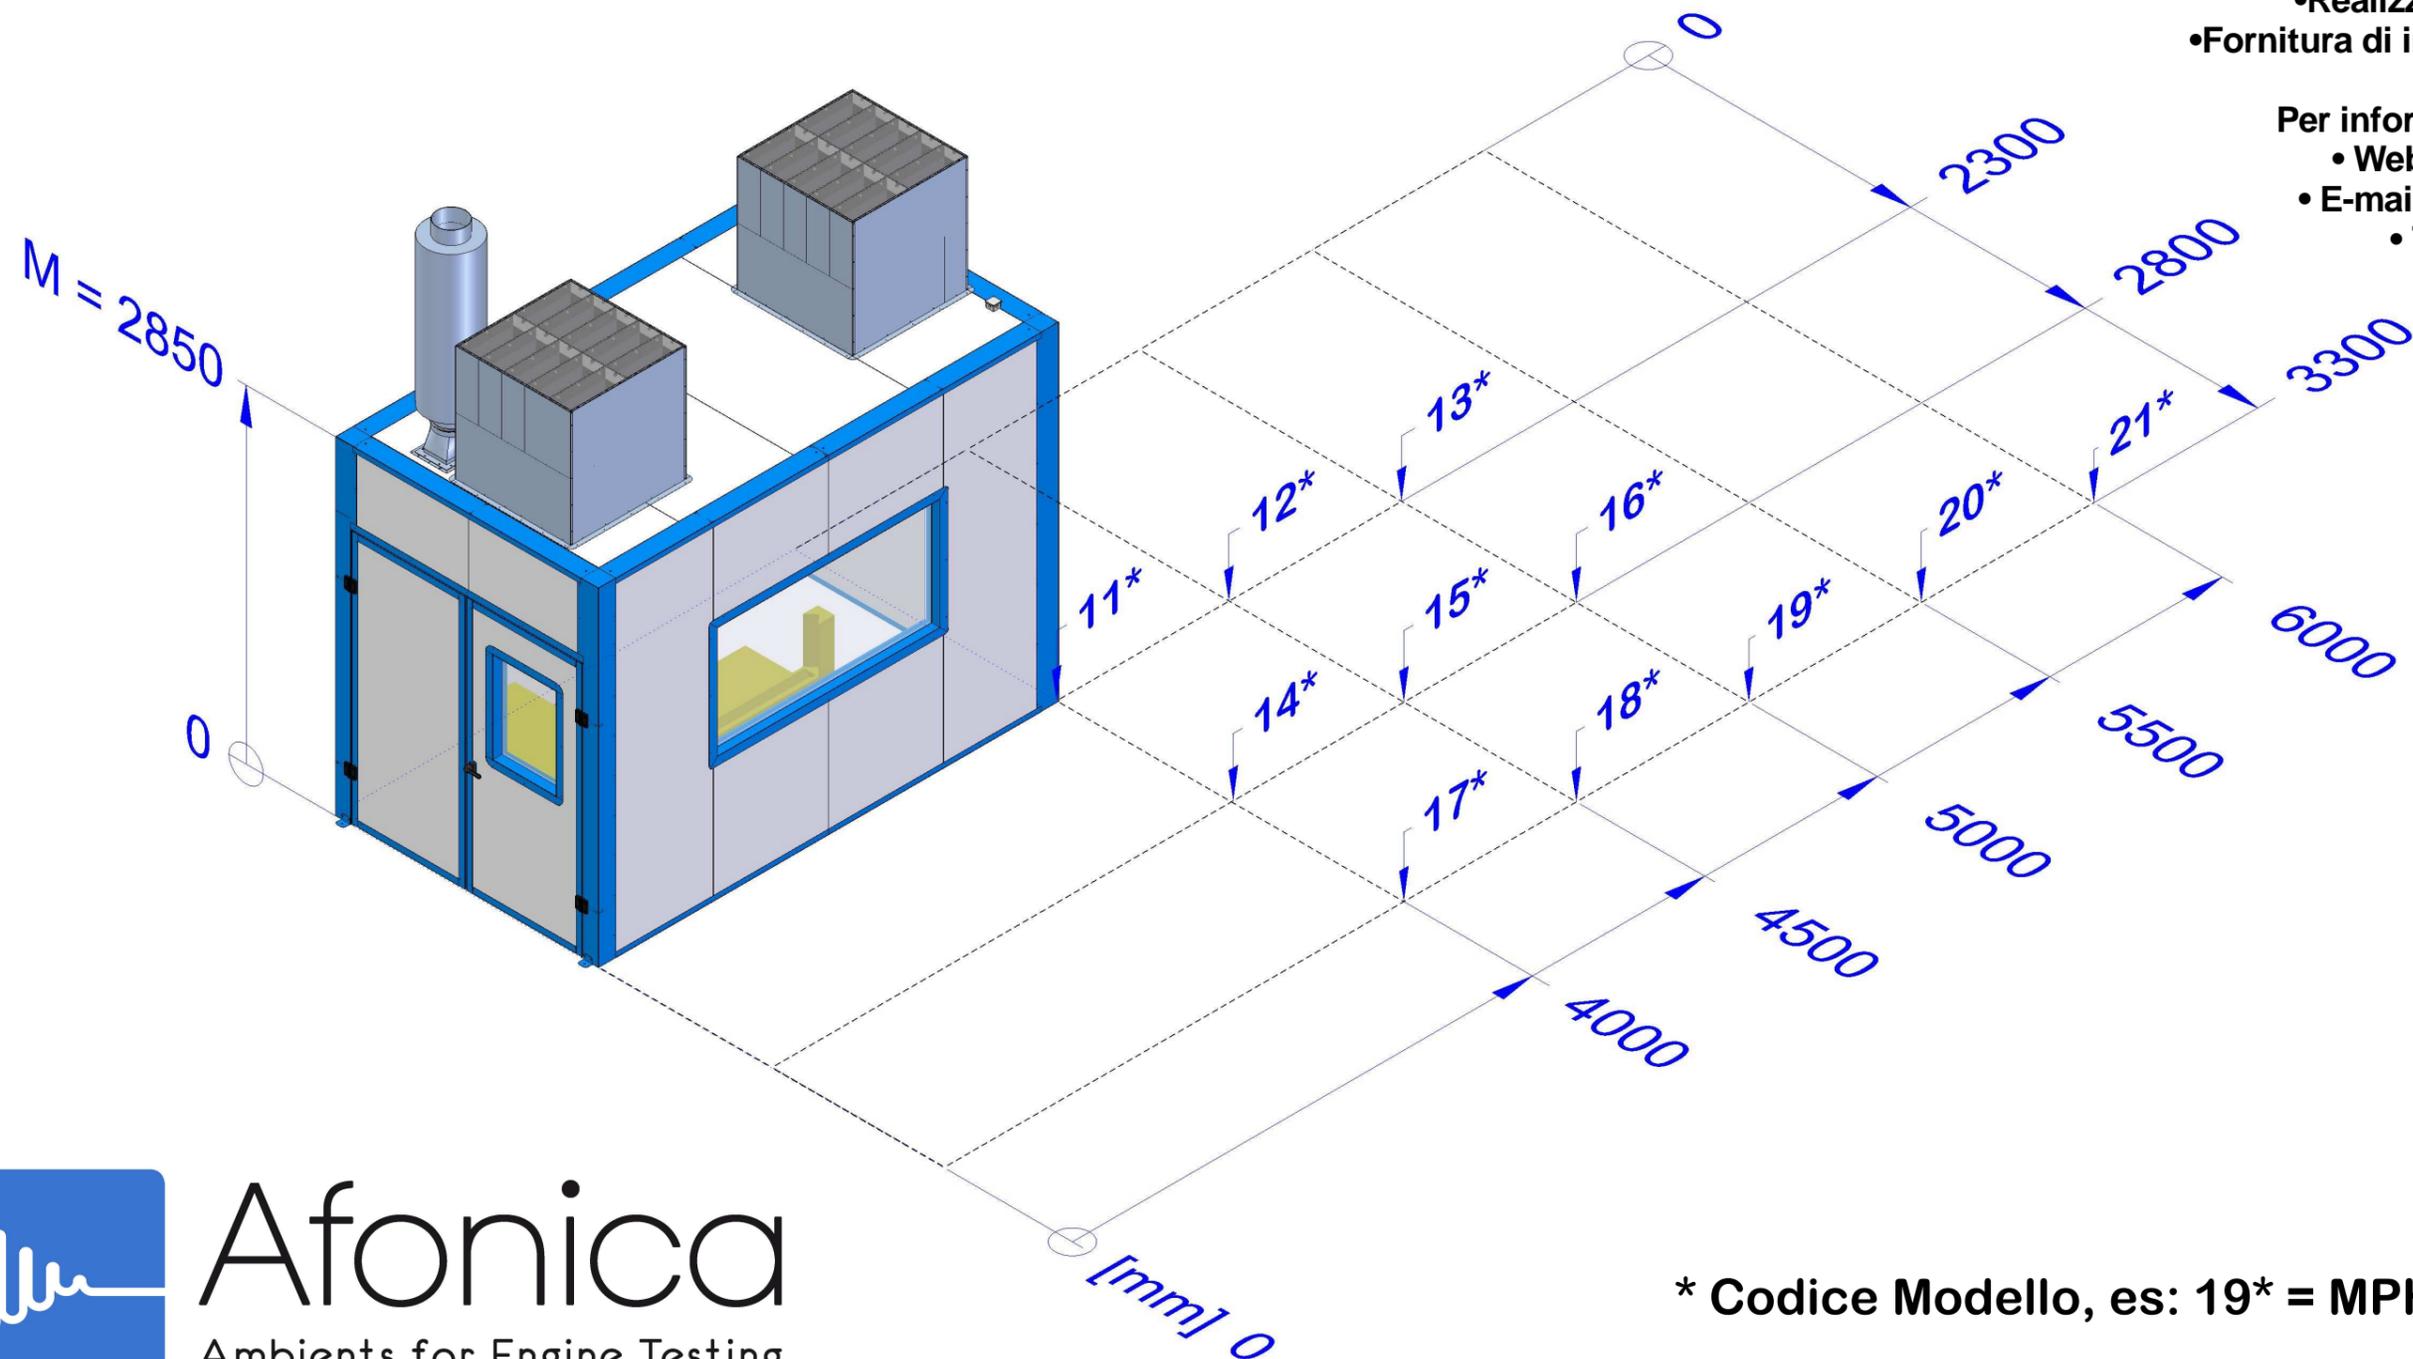

Disponibile anche la versione per esterni di ciascun modello.

A richiesta:

- Realizzazioni su misura
- Fornitura di impianto elettrico
